Non-potable water will be available starting the first week of May through the third Friday of October.

In the event of a rainstorm over 1/2 inch of accumulation within a 24-hour period non-potable water access will be turned off. The duration of this will be determined by the amount of rainfall in total for the storm and forecast.

BLOW OUT

The Monday and all week after shutting off the non-potable water, the District will offer free air to residents to blow out their home irrigation system, until Friday at 3:00 PM.

Blow out is from: 5:15 AM to 3:00 PM each day.

Homeowners are responsible for their own blow out.
